

ABB WEEKLY ORACY 'TALKING POINTS'

Each week we will share a short oracy talking point designed to spark meaningful conversations at home. These questions help children reflect, build empathy, and connect our school values of hope, fellowship, wisdom, respect, and creation to everyday life as well as develop their thinking and oracy skills. There are no right or wrong answers – just opportunities to listen, share, and grow together.

Think together about how we value each other's voice, challenge different opinions with respect, make eye contact, acknowledge each other when we talk and how we create a safe place where our thoughts and feelings can be shared freely without judgment.

Parents are warmly invited to share highlights from these conversations with Mrs Taylor-Browning via ClassDojo, or pupils are welcome to come and speak to her about their family discussion in person at school. We will touch on the talking points in our weekly KS worship as well.
