

MENU DESIGN COMPETITION

Terms and Conditions

As you know, last year our new chef (George) and his team of culinary wizards in the kitchen began transforming our school meals and we absolutely love them!

Now we would like to change how our menu looks so we are giving you the chance to design the menu layout to make it more appealing. You could use some of the pictures overleaf as inspiration or you may have some of your own imaginative ideas!

All you have to do is get your creative juices flowing and design a new menu layout. You can draw your design on A4 or use a computer program to help you. Remember you will need to leave enough room for the actual menu so I have included a copy of the menu for guidance. Think about how you can jazz up the borders.

Remember these menus will be displayed all over the school and in every single classroom!

Send entries to ksowden@archbishop-benson.cornwall.sch.uk

How would you like to design the layout of our new school menu?

This is your chance to make our new menu look fabulous.

Any year 5 or 6 pupil can enter the competition.

You can use a computer or design the menu by hand.

The possibilities are endless!

Deadline 27th January 2017.
