Archbishop Benson School – **Accessibility Plan** Purpose of Plan

The purpose of this plan is to show how our educational setting intends, over time, to increase accessibility to the physical environment, the curriculum and written information so that all pupils/students with a disability /SEN can take full advantage of their education and associated opportunities.

Definition of disability

A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Key Aims

To increase and eventually ensure for pupils/parents/staff with a disability or SEN that they have:

- total access to our setting's environment, curriculum and information
- full participation in the school community

Principles

- Compliance with the Equality Act is consistent with our setting's aims and equal opportunities policy.
- Our staff recognise their duty under the Equality Act:
 - Not to discriminate against SEND pupils in their admissions and exclusions, and provision of education and associated services
 - Not to treat SEND pupils less favourably
 - o To take reasonable steps to avoid putting SEND pupils at a substantial disadvantage
 - To publish an accessibility plan
- In performing their duties governors have regard to the Equality Act 2010
- Our setting
 - recognises and values the young person's knowledge/parents' knowledge of their child's disability/SEN
 - recognises the effect their disability/SEN has on his/her ability to carry out activities,
 - o respects the parents' and child's right to confidentiality
 - provides all pupils with a broad and balanced curriculum that is differentiated, personalised and age appropriate.
- We will always take needs into account that are NOT SEND but that may impact on progress and attainment.

Increasing access for SEND pupils to the school curriculum

- Consulting with families of SEND pupils to gain understanding of individual needs
- Engaging with external agencies to deliver appropriate support for all pupils
- Compliance with the Local Offer see School Offer (SEND policy)
- Monitor the attendance of all areas eg. wrap around care, extra-curricular clubs, nurture club, trips/visits.
- Consider provision for SEND pupils when organising trips/visits
- Differentiated curriculum provision for PE, Games etc.
- Provision of regular fun-fit classes

Improving access to the physical environment of the school

- Providing level access to all internal areas
- Providing level/ramped access to all areas of the school grounds and facilities
- Replacing doors/door furniture to all classes in EYFS area
- Improving access paths
- Providing an induction loop to enable full participation in all school/community events (hall & main reception) and also making it known that a radio system of hearing can be arranged upon request.
- Providing accommodation which meets or exceeds current standards for KS2 classes

Improving the delivery of written information to SEND pupils/parents

- Teachers to consider Information sharing in relation to pupils or parents with SEND
- School events to be promoted clearly and concisely, in good time and in a user friendly fashion

- Promote and support the use of all areas of school communication eg. parent/teacher interviews, home/school booklets, website, notice boards, school bulletins, Parent pay and Teacher- Parent school messaging
