

PE and Sports Premium July 2019

Evidencing the Impact of Primary PE and Sport Premium Department for Education Vision for the Primary PE and Sport Premium:

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

The funding has been provided to ensure impact against the following OBJECTIVE:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding. It is expected that schools will see an improvement against the following 5 key indicators:

- 1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles*
- 2. the profile of PE and sport being raised across the school as a tool for whole school improvement*
- 3. increased confidence, knowledge and skills of all staff in teaching PE and sport*
- 4. broader experience of a range of sports and activities offered to all pupils*
- 5. increased participation in competitive sport*

Ethos, vision and aims of Archbishop Benson

- To engage all children in regular physical activity and sport.
- To develop confidence, skills and a positive attitude towards PE and to encourage a life-long love of sport and physical activity.
- To give children an understanding of the health benefits participation in sports activities offers.
- To broaden the range of sporting opportunities and experiences available for all children at Archbishop Benson.
- To provide a wide range of opportunities for all children in competitive sport.

Strengths of our school

High profile of PE and Sport in the school. The children are proud of our success.

Fully trained Year 5 sport leaders to promote physical exercise at break and lunch times as well as support staff in competitive events.

Active 10 timetable for the whole school with the intention of building up to Active 30

High level of participation in competitive sport for vast majority of children. Large number of b, c and d teams in a wide range of sports against other schools.

High participation in inter-house competition, in Key Stage 2 especially.

High participation rates in extra-curricular sports clubs.

Large range of extra-curricular sports clubs on offer throughout the year.

High level of success in competitive sport.

High participation, engagement and success in the School Games.

Chances for gifted children to compete and push themselves.

We have children who love sport and physical activity.

Each class timetabled for two hours of PE a week.

Outdoor activities at Porthpean camp in Year 4.

Active lunchtimes- Huff and Puff and Playpod, Key Stage 2 Sport leaders.

Make good use of our school grounds for sport.

Areas to improve and how we plan to spend our Sports Premium funding in 2019-2020

Our focus for this year is monitoring and improving the curriculum delivery of PE. We have earmarked £2000 for comprehensive monitoring of lessons and planning in PE in the Autumn and Spring term. We will evaluate the effectiveness of REAL PE across the school. We will then draw up an action plan for the best way to move the teaching of PE on in our school. The aim is to increase confidence, knowledge and skills of all staff in teaching PE and sport.

We also want to further increase the regular physical activity of our children. We are planning and getting quotes for climbing and exploring equipment on the KS2 playground. This will incorporate an outdoor/natural wood theme and will hopefully include bridges, climbing walls and exercise stations. A substantial amount of our sports premium budget will go towards funding this.

We are always looking to broaden the children's experiences and are exploring booking taster sessions in a range of different sports and activities.

We have invested heavily in quality equipment to support our curriculum and extra-curricular sports provision. For example, we bought new netball performance balls, bibs and pumps so that the netball club could train and compete at a high level.

We also replenished the stock of gym mats. We upgraded these and bought higher performance grade mats to allow for safe tumbling.

We employ a Sports Teaching Assistant for one day a week who takes children to sports events. We have also earmarked money for other staff to go to these events.

We continue to pay Nicola Hinton, the primary sports co-ordinator at Penair, the local secondary school, to organise a rich and varied competition programme against other schools. She also trains our Junior Sports leaders annually.

We have worked with the Cornish Pirates 5(rugby) and will work with Chance 2 Shine (cricket) in the Spring term. These both provide CPD to teachers and high quality coaching and teaching for the children.

We have also spent money on competition entries and also on medals for our inter-house competitions.

We have earmarked money to spend on Sports leaders ties to ensure that their profile remains high in the school and that younger children will see these and aspire to achieve the same when they reach Year 5.

Our main successes this year.

County champs **table tennis** team event and individual (Alfie Tanguie) reaching National championships.

Cornwall school games- gymnastics 1st in year 4, 2nd in year5/6, boys swimmers came first and are county champs.
